VISION

Your business has its own unique identity that should be expressed in your specific way. Signus Inflatables offers opportunities to present your business in a unique form.

Everybody wants to be seen. Our innovative inflatable products guarantee visibility in a way that will make the difference. Design and technology are the key.

SIGNUS ONE

The Signus ONE is a fully customizable inflatable event pavilion. With full colour custom cloths you can stand out at all kind of events. Signus One's remarkable design is characterized by an organic form what makes the pavilion a true eye-catcher at exhibitions, festivals and promotional activities. The pavilion is available in two sizes.

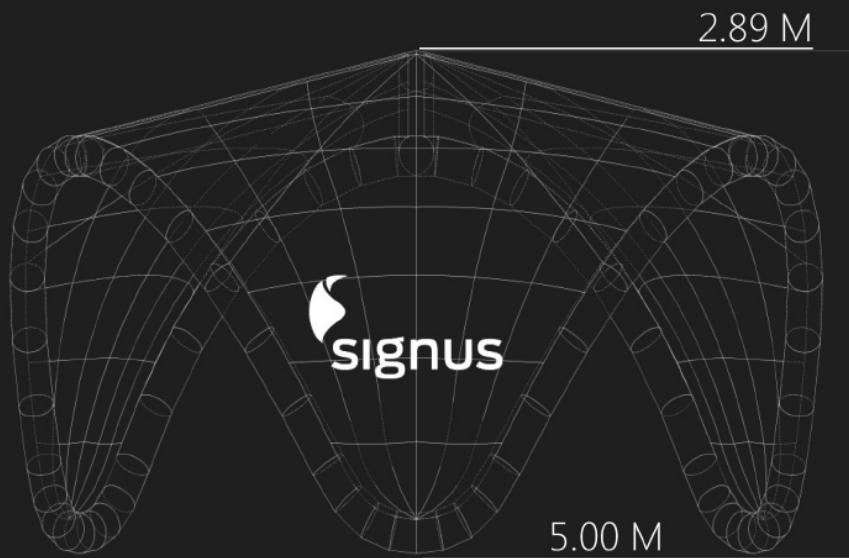

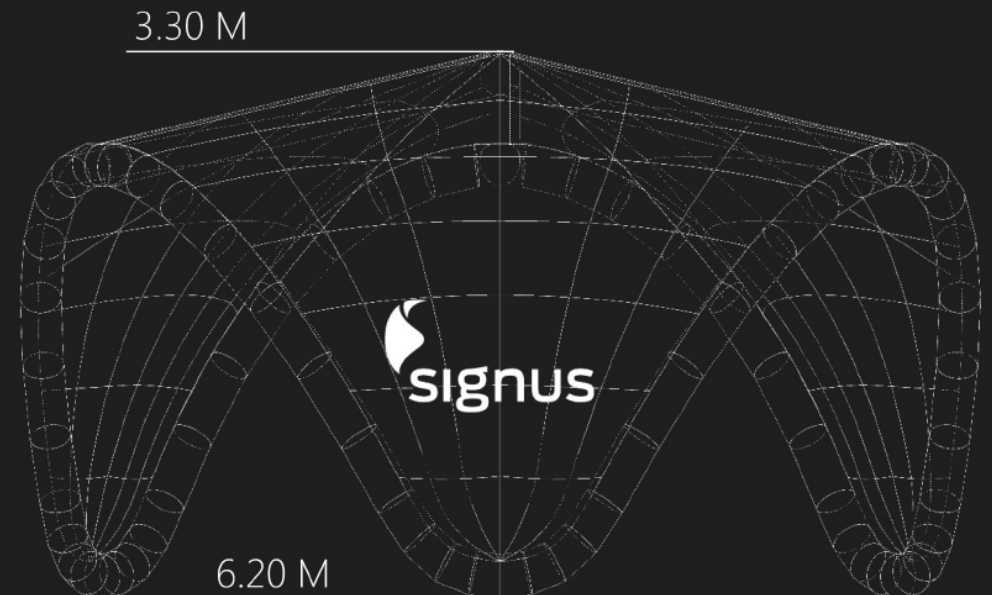

"WE DO WHAT WE LOVE.
WE MAKE VERY COOL
THINGS."

Signus Inflatables is a young and vibrant company founded by five creative Dutch entrepreneurs.

Signus is specialized in custom inflatable promotional tools that rock. Innovation and design are the corner stones of our approach.
